Warranty

BRP limited warranty covers the watercraft for one year.

Feature Highlights

The powerful 1630 ACE™ - 130 is all about fun and acceleration while the new Rotax® 1630 ACE™ - 170 is the most powerful naturally aspirated Rotax engine ever on a Sea-Doo watercraft.

The industry-first manufacturer-installed, truly waterproof, Bluetooth+ audio system.

Makes boarding from the water easier and quicker.

Waterproof and shockproof compartment specifically designed for phone protection.

Exclusive quick-attach system on a large swim platform that allows for easy installation of accessories.

An impressive 40 gallons of sealed storage space allows riders to safely stow belongings while riding.

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II

Aluminum MOVE I Extended 1250
